## QUOTES OF NOTE

"B/C All-Stars is a fine opportunity for exposure to college coaches at all levels."  
Pat Head Summitt  
Head Women's Coach  
University of Tennessee

"Your camp was an experience I won't soon forget. The competition level was excellent, the counselors were fun and the food was superb. It's great that such an opportunity can be given to so many girls with the potential to play in college, but possibly without that opportunity some girls, including myself, could be deprived of a college scholarship."  
Diane Newman  
Head Women's Coach  
Parma Heights, Ohio

"Most of our recruiting begins and ends with the B/C Camp. It's hard to imagine that many good players in one spot."  
Janice Dykhouse, Allen  
Head Women's Coach  
Florida State University

"B/C has produced the most talent of any basketball camp in the country. We've been fortunate to sign many players from there."  
Joan Bonvicini  
Head Women's Coach  
Long Beach State U.

"I attended six summer camps. You could put the other five all together and they couldn't match my experience at B/C."  
Melody Otinger  
Former B/C camper  
Murray State University

## DAILY SCHEDULE

B/C All-Stars challenges its campers with the most demanding daily camp schedule in America. You're the best — and you deserve the opportunity to show it! Here's a composite rundown on B/C's format:

**MORNINGS:** Campers participate in individual instruction, usually in the form of station drills where fundamentals such as shooting, ball-handling and defense are taught by our staff coaches and college counselors. Ample time is allotted for team practice where various offenses and defenses are mastered. Lectures are scheduled either late in the morning or early in the afternoon.

**AFTERNOONS:** Each camper participates in a block of two out of four games. Camp coaches are instructed to delegate equal time to all players and no team will include more than 10 players.

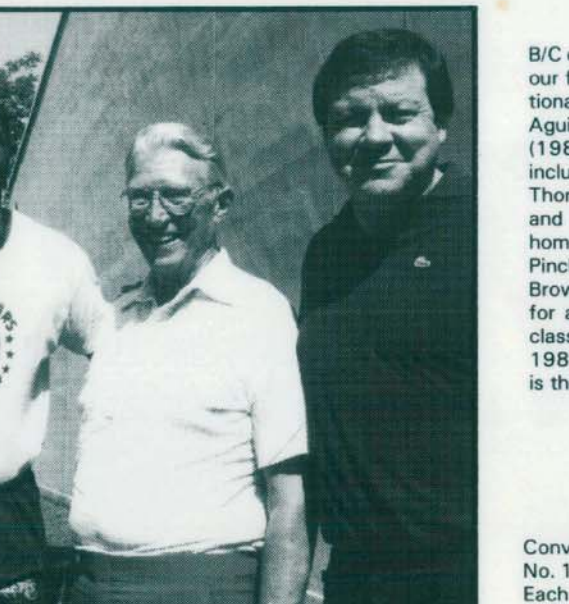

**EVENINGS:** Each camper again plays a block of two out of four games, the most daily competition at any camp in America.

**CAMP CHAMPIONSHIPS AND ALL-STAR GAMES:** Our Final Four playoffs, featuring the four teams who compile the best records in daily camp play, are conducted Friday morning. Two All-Star Games, a Top 20 and Second 20 matched up talent-wise and height-wise, are held Friday afternoon.

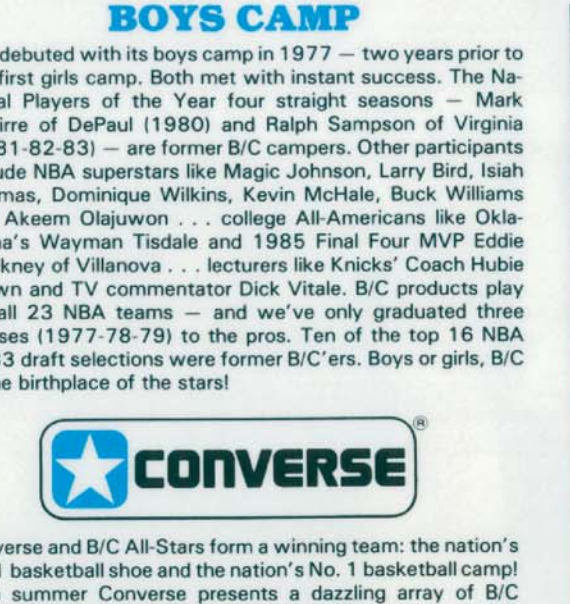

No camp anywhere packs more into one week. It's a competitive challenge — and our campers meet it!

## BOYS CAMP

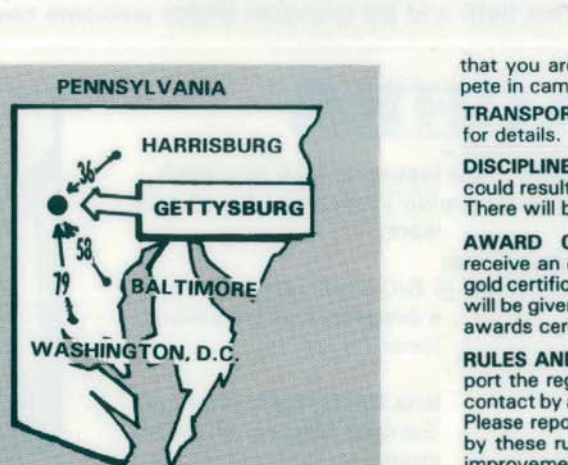

B/C debuted with its boys camp in 1977 — two years prior to our first girls camp. Both met with instant success. The National Players of the Year four straight seasons — Mark Aguirre of DePaul (1980) and Ralph Sampson of Virginia (1981-82-83) — are former B/C campers. Other participants include NBA superstars like Magic Johnson, Larry Bird, Isiah Thomas, Dominique Wilkins, Kevin McHale, Buck Williams and Akheem Oluajunwo . . . college All-Americans like Oklahoma's Wayman Tisdale and 1985 Final Four MVP Eddie Pinckney of Villanova . . . lecturers like Knicks' Coach Hubie Brown and TV commentator Dick Vitale. B/C produces youth classes (1977-78-79) to the pros. Ten of the top 16 NBA 1983 draft selections were former B/Cers. Boys or girls, B/C is the birthplace of the stars!

Please keep this brochure and your B/C Entrance Requirements and Transportation checklists with you at all times. The final balance of \$100.00 is due at least 14 days before camp unless prior arrangement has been made with B/C Co-Director Bill Cronauer. This allows enough time for you to check to clear the bank and be posted on your application card. If your final tuition has not been received prior to enrollment, you must pay at Sunday registration by cash or money order. NO CHECKS WILL BE ACCEPTED AT REGISTRATION.

Each camper must provide evidence of a physical examination and proof of family medical insurance coverage (if you have home coverage) before you are able to participate in camp. Please make sure your physician or school doctor signs the medical information panel on back of your application card and make sure your parents have signed the release statement which allows our physicians to provide emergency treatment if needed. Please read physical examination section carefully.

**NOTE:** All campers will be accepted for the week of their choice unless otherwise notified. There will be no further letter of confirmation. You are fully enrolled and only need to appear your respective Sunday for registration.
